CDS MOVING EQUIPMENT

It is with great pleasure that we present our latest Catalog of Moving Equipment, Warehouse Supplies and Packing Materials. This catalog contains the items you need to help your company provide fast, safe and efficient service to your customers.

We have come a long way since our beginning in 1981, when we occupied a rented 150 square foot garage. We have doubled the size of our main office, warehouse and manufacturing facility in Compton, CA. Our Wood Products Manufacturing Department produces almost all of the wood products found in this catalog, assuring both the highest quality products as well as manufacturing direct pricing! This is also true with our Cargo Control Division, and we have our own factories overseas producing a complete line of furniture pads, pallet pads and related items such as door jam protector pads and space savers.

Our Distribution Facilities use state-of-the-art computer accuracy to maintain inventory on the items you need to purchase or rent. These items are in stock and available for immediate delivery in our radio-dispatched fleet of trucks!

We have two locations in Northern California, as well as Las Vegas, NV, and Elk Grove Village, IL (a suburb of Chicago). Our future growth plans include the opening of more offices and distribution warehouses throughout the U.S. CDS hopes to be in a city near you in the near future!

We would like to thank our valued customers, and now our friends, for our success. Our main objective at CDS, has remained unchanged. We will provide our customers with the highest quality products at affordable prices and back this up with prompt, courteous service.

We appreciate your business and look forward to helping you with all your moving, trucking, warehouse equipment and packing material needs.

CDS is celebrating our
25th Anniversary of
Outstanding Service to the
Moving & Storage, Self Storage,
& Exhibit Industries.

Sincerely,

Allen J. Sidor
President

CDS RENTALS

As the premier rental equipment supplier to the professional office mover, we are proud of our longstanding tradition of excellent service. Since our humble beginnings in 1981, our commitment to service has not changed. We realize that the best service we can provide is listening to your needs and then finding the way to meet them. Your place or job site, CDS has the equipment you want when you need it.
